

Nursing Program Effectiveness Data

The performance of the Nursing Program at Bellin College is reflected through program effectiveness data defined by our accrediting body, the Commission on Collegiate Nursing Education (CCNE). Program effectiveness data includes program completion rate, licensure examination pass rate, and job placement rate. Explanations of these measures are disclosed along with the data tables below. For more information regarding program effectiveness data visit the CCNE website at <http://www.aacn.nche.edu/ccne-accreditation/standards-procedures-resources/baccalaureate-graduate>
