

Radiology Program Effectiveness Data

The performance of the Radiology Program at Bellin College is reflected through program effectiveness data defined by our accrediting body, the Joint Review Committee on Education in Radiologic Technology (JRCERT). Program effectiveness data includes program completion rate, credentialing examination pass rate and job placement rate. Explanations of these measures are disclosed along with the data tables below. For more information regarding program effectiveness data visit the JRCERT website at <https://portal.jrcertaccreditation.org/summary/programannualreportlist.aspx>.

Note: The School of Radiologic Technology at Bellin Hospital was transferred to Bellin College with the completion of the Class of 2011 therefore no students graduated in 2012.
