## Bellin College Nursing Camp

Bellin College offers two Summer Nursing Camps for high school sophomores and juniors sponsored by Bellin Health. This is your chance to find out first hand the roles, relationships, and responsibilities that make the nursing profession so rewarding. We offer a 4-night overnight camp and a 3-day commuter nursing camp every summer.

### What to expect:

- Shadow nurses one-on-one at local hospitals.
- Visit a variety of hospital settings.
- Experience and practice basic care-giving skills on the Bellin College campus.
- Tour an emergency room and the Eagle III emergency helicopter.
- Discover the many opportunities available in the field of nursing.
- Stay in the residence halls on the University of Wisconsin-Green Bay campus while attending the camp, or choose our commuter camp option.
- Learn about college planning.
- Meet new friends.
- Take home a t-shirt, hospital scrubs and much more!

## UWGB Life's A Lab

UNIVERSITY of WISCONSIN  
GREEN BAY

UW-Green Bay, in partnership with Bellin College, offers Life's a Lab Health Science Camp in June. Campers explore careers in the health sciences, specifically in physical therapy, sports medicine, emergency medical fields, radiology/oncology, mortuary, and research science. This camp offers high school campers entering grades 10-12 an ideal experience for those interested in pursuing a college degree in science or a profession that requires a science foundation.

### What to expect:

- Experience UW-Green Bay's state-of-the art science labs for anatomy and physiology classes.
- Experience hands-on science including but not limited to sheep hearts and brain dissection, patellar/Achilles reflex testing, cat muscle and vascular dissection, iWorx reflex testing lab and muscle contraction/fatigue.
- Tour Bellin College to observe and encounter an array of health science professions including the following fields: oncology, radiology, ultrasound, sports medicine, physical therapy, research, EMT, paramedics and trauma flight services.
- Experience and practice basic care-giving skills on the Bellin College campus.

If you have a science aptitude and are looking for a future in health sciences this camp is for you! Contact the University of Wisconsin-Green Bay for more information.

June 11-14, 2017

## Bellin College Medical Imaging Day Camp

Bellin College offers a one-day medical imaging Summer Camp in July for high school sophomores and juniors sponsored by Bellin Health. This is your chance to find out first hand the roles, relationships, and responsibilities that make the radiologic sciences profession so rewarding.

### What to expect:

- Experience hands-on activities regarding basic medical imaging skills on the Bellin College campus.
- Learn and practice basic care-giving skills.
- Visit a variety of radiology departments at Bellin Health such as MRI, CT, and Mammography.
- Discover the many opportunities available in the field of medical imaging.
- Learn about college planning.
- Meet new friends.
- Take home a t-shirt, hospital scrubs and much more!
