

STAR Pathway

High school students shine in Bellin College's STAR path!

The **Sophomore Transfer with Advanced Requirements (STAR)** path is an innovative pathway for academically advanced high school students. Using a combination of Advanced Placement (AP) classes and college coursework, students can blaze a path that sets them up to graduate with a bachelor's degree in three years.

Recommended academic plan during high school:

Grade	Class	Credits Total
10	<ul style="list-style-type: none">• AP Psychology (3)• AP Biology (4)	7
11	<ul style="list-style-type: none">• AP Language and Composition (3)• Developmental Psychology (3) <i>*Bellin College online offering</i>	6
12	<ul style="list-style-type: none">• AP Chemistry (4)• AP Calculus (4) <i>(or pass Bellin College Math Challenge Exam)</i>	8

*Academic plans vary from high school to high school; students must score a minimum of 3 on AP tests to attain college credit; students take classes in summer during college to graduate in three years, including Anatomy and Physiology and two introductory program classes the summer before their first fall semester.
