### Financial Aid Considerations

To be eligible for federal unsubsidized student loan, a student must be enrolled at least half-time (a minimum of 4.5 credits minimum per semester). The student may be eligible for federal student assistance up to \$20,500/academic year. Due to the minimum credit load required, the DSc student will only be eligible for federal student aid during the Summer Semester Year 1, Fall Semester Year 1, and Spring Semester Year 1. The total cost of the DSc program (without Fellowship) is \$22,075. Students may also wish to pursue private education loans. For more information regarding student loans or other financing options, please contact the Director of Financial Aid, Lena Goodman at [lena.goodman@bellincollege.edu](mailto:lena.goodman@bellincollege.edu) or (920) 433-6638.
