Subject: Discovery Benefits Online Access (zunsecure)

Welcome to Discovery Benefits! We're excited to administer your pre-tax benefits and are looking forward to working with you.

You can manage your benefits through your online account after completing just four simple steps. For the security of your account, we recommend completing these steps within 30 days of receiving this notice:

1. Set up your account by going to <http://www.DiscoveryBenefits.com/benefitslogin>.
2. From the login screen, click the **"Create your new username and password"** link and complete the required user identification fields. You'll then receive an email with a one-time password.
3. Enter the one-time password you received, and click the **"Next"** button. Then, answer the security questions and click the **"Submit"** button.
4. Set up your username and password. You are now ready to start using your benefits!

Once logged in click "Get Help" to access hundreds of articles and videos in our Discovery Answers™ knowledgebase or chat directly with an agent.

On the go? Our secure Benefits Mobile App by Discovery Benefits makes managing your health benefits easy by providing real-time, convenient access to all your account information on the go. You can easily check balances, view account details and upload receipts, all from the palm of your hand. Download the Benefits Mobile App from the Apple or Android store today!
