

Bellin Health Job Shadowing – High School Students

Objective:

To provide high school students the opportunity to complete job shadowing with a variety of professionals within healthcare. This will enable students to see how various health professionals work individually and together to promote increased health and wellness in our community, while also guiding the students on a possible future career path. It is recommended that students are in good standing in school with regards to attendance and grades, as these are factors that are essential to success in both college and professional studies for all healthcare careers. We recommend a cumulative GPA of at least 2.5 for consideration.

Careers Available for Potential Observation:

Physical Therapist / Physical Therapist Assistant
Occupational Therapist
Speech Language Pathologist
Licensed Athletic Trainer
Certified Strength and Conditioning Specialist
Dietician
Personal Trainer
Pharmacist

Nurse
Lab Technician
Radiology Technician (X-ray and CT scan)
Ultrasound Technician
Physician (Family Practice or Sports Medicine)
Nurse Practitioner
Physician Assistant
Pharmacy Technician

Excluded Areas for Observation:

Surgery
Labor and Delivery / Maternity

Job Shadowing Allowances:

Job shadowing opportunities are available the **FIRST TUESDAY** and **THIRD THURSDAY** of the month from 8:00 AM-12:00 PM. Students must commit to the full 4-hour block of time. Please be aware that it may take up to 4 weeks to schedule your hours from the date that application materials are received.

In some cases, it may not be possible to place a student with the profession of their choice or during the date of their choice (due to availability, etc.). In this case, the student will be notified that the opportunity is not available within 4 weeks of application submission so that they can elect to choose a different timeframe for observation and/or choose a different profession for job shadowing. Also, please note that we will not be able to guarantee observation within a particular specialty area (for example “orthopedic physician”, “pediatric nurse”, “sports physical therapist”). Students may choose to put a specialty area of focus on their application, however, they may be placed with a “generalist” in that occupation instead.

The maximum number of hours allowed to job shadow is 4 per occupation. Students may complete additional job shadowing opportunities in subsequent school years, but will need to re-submit the application/requirements each year. Students may complete job shadowing opportunities with more than one health care occupation (up to 2 occupations per school year), but will need to submit a separate application for each opportunity.

Application Requirements:

Students will need to complete all of the following requirements:

1. Application
2. Reference Letter – to be completed by a teacher, principal, vice principal, or guidance counselor
3. Emergency Contact Form
4. Career Interest Form
5. Confidentiality Form (top half completed)
6. Vaccination History – Student needs to submit official written record of receiving the following immunizations. You can get a vaccine verification from your physician office or pharmacy where vaccines were received OR you can look for your record on the WIR website:
<https://www.dhfs.wir.org/PR/clientSearch.do;jsessionid=c0a8465730d78fcd86b4dadf4c50a89eaa24fd826768.e38Nc34NbN4Lai0PbhmLb30Kbh10n6jAmljGr5XDqQLvpAe?language=en>
 - a. 1 MMR vaccination or having MMR titer drawn
 - b. Influenza Vaccination for the current flu season required IF observing during flu season
 - i. Flu season is generally November 1 to March 31, but is subject to change on a yearly basis dependent upon influenza activity in the region.
 - ii. No exceptions will be granted. If a student does not receive a flu shot, they will not be allowed to complete any job shadow hours during the current flu season.
7. Completion of mandatory Power Point module viewing
 - a. Modules are available on the website www.ggbha.org. Hover over the heading for “Clinicals/Rotations” and select “Students.”
 - b. There are 4 Power Point modules that need to be reviewed:
 - i. Infection Control, Bloodborne Pathogens, and Isolation Precautions
 - ii. HIPAA Confidentiality and Compliance Orientation
 - iii. Patient and Caregiver Safety
 - iv. Professional Expectations in the Workplace

Additional Requirements/Policies:

1. Attendance: Students are responsible for their own transportation to/from the designated site for each observation. Students are expected to be on-time. Any absence must be excused by the student’s parent/guardian and notification provided to Bellin Health Contact Person (will be provided to student via email with confirmation of placement) at least 24 hours in advance of the absence. Allowable reasons for excused absence include illness, inclement weather, or school-related conflict with assigned date (due to testing, etc.) In the case of illness/weather, notification of absence must be provided **no later than 7:30 am** on the day of the scheduled experience. Bellin Health student coordinator will attempt to reschedule one excused experience, if staff availability allows. **Students will be dismissed from further job shadowing for any non-excused absence or for more than one excused absence.**
2. Duties: Students are allowed to only observe patient care, not actively participate in patient care.
 - Allowed: Asking questions to Bellin supervisor, wiping down tables if directed to by Bellin supervisor, etc.
 - Not Allowed: pushing patient in wheelchair or physically assisting patient in any way, handling sterile equipment, viewing the electronic medical record, etc.

3. Cell phones/Cameras/Recording Devices: Cell phones must be silenced and put away during observation hours. No recording devices or cameras will be allowed to be used at any time.
4. Equipment: Students are not allowed to use any of the equipment while completing observation hours, unless specifically directed by the supervising health professional. This includes treatment tables.
5. Dress code: Students are to present a neat and professional appearance at all times as their appearance reflects directly upon Bellin Health.
 - a. Dress should be business/professional (ie. khakis/dress pants and nice dress shirt/polo, clean shoes with a closed toe and heel). NO leggings, t-shirts, or tank tops. Shirts should not have any screen printing or writing on them.
 - b. Jewelry should be kept to a minimum.
 - c. Hair styles must be neat and well kept.
 - d. Make-up and perfume should be used in moderation.
 - e. Bras and underpants are required and should not be visible.
 - f. Socks or hosiery must be worn at all times.
 - g. It is the responsibility of the student to be free of body odor and cigarette smoke odor.
 - h. A nametag must be worn at all times when on site. Bellin Health will provide materials for a nametag.
 - i. Visible tattoos must be covered and any facial piercings should be removed or covered.
6. **Bellin Health reserves the right to dismiss a student from their observation for any reason (improper dress attire, inappropriate interaction with patients/staff, etc.).**

Application, Reference, Emergency Contact Form, Career Interest Form, Confidentiality Form, and Verification of Vaccines/TB testing to be submitted via mail, fax, or email to the following contact:

CAREER INTEREST RESEARCH

Name:

Date:

1. What career/occupation do you wish to job shadow?

2. What are some similar jobs related to this field of work?

3. What are the working conditions (Describe the work setting, hours, amount of travel and other responsibilities related to the job.)?

4. What personal requirements and skills are necessary (team or individual work, organizational skills, etc.)?

5. What kinds of training and/or education (tests, licenses, union affiliations, etc.) are required to get into the field? (College, Graduate School, GPA requirements?)

6. What are some rewarding aspects of this kind of career (salary, benefits, work from home, be your own boss, etc.)?

7. What are the problems or disadvantages associated with this career (long hours, weather, travel, etc.)?

8. What kind of salary and lifestyle is associated with this career? (Would this be a comfortable lifestyle? Would you be able to support yourself/family? Would you have to closely monitor your budget?)

9. What is and what will be the demand for people in this career field in the future?

**CONFIDENTIALITY ACKNOWLEDGEMENT FORM
FOR SHADOWING/OBSERVATIONAL EXPERIENCES**

When you participate in a shadowing or observational experience at Bellin Health, you are involved in a unique experience. You will be shadowing a health care professional for a specified period in a health care facility. During this time you will or may be seeing patients with a variety of medical issues and/or you may see and hear confidential information relating to these patients.

It is against the law to disclose: Individually identifiable patient information that is transmitted electronically, maintained in any electronic medium, or transmitted or maintained in any other form or medium (including written or oral communication). This relates to information about past, present and future:

- Physical and mental health;
- Provision of health care to the patient; and
- Payment for the patient’s health care.

As a condition of participating in this shadowing/observational experience, I understand and agree:

1. That everything about a patient’s health care is confidential.
2. To not discuss this confidential patient information with anyone except the health care professional that I am shadowing. I am welcome to ask the health care professional questions during this program, but I may not disclose this information to anyone else.
3. To not access protected or confidential information.
4. To abide by the dress code as directed by the department contact person.
5. To use proper language and a respectful manner at all times.
6. To seek out and follow the directions of the supervising person/person in charge, especially in any code situations and in the case of other safety or procedural questions.
