September-December

DSC 905	Research Methodology and Doctoral Project V	2 credits
	Doctoral Project Fee	\$200
	Graduation Fee	\$235
	Technology Fee	\$110

Payment Plans

Tuition/Fees will be billed at the beginning of each term. Payment plans are available by contacting the Bellin College Bursar Office at (920) 433-6640.

Financial Aid Considerations

To be eligible for federal unsubsidized student loan, a student must be enrolled at least half-time (a minimum of 4.5 credits minimum per semester). The student may be eligible for federal student assistance up to \$20,500/academic year. Due to the minimum credit load required, the DSc student will only be eligible for federal student aid during the Fall Semester Year 1, Spring Semester Year 1 and Summer Semester 2. Students may also wish to pursue private education loans. For more information regarding student loans or other financing options, please contact the Director of Financial Aid, Lena Goodman at lena.goodman@bellincollege.edu or (920) 433-6638.

Bellin College admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and other school-administered programs.
