

Graduate Nursing Program Effectiveness Data

The performance of the Nursing Program at Bellin College is reflected through program effectiveness data defined by our accrediting body, the Commission on Collegiate Nursing Education (CCNE). Program effectiveness data includes certification pass rate, program completion rate, and job placement rate. Explanations of these measures are disclosed along with the data tables below.

Family Nurse Practitioner Certification First-Time Pass Rates

Calendar Year	% Bellin College First-Time Pass Rate MSN Degree	% Bellin College First-Time Pass Rate Post Graduate Certificate	AANPCB* % National Average First Time Pass Rate	ANCC** % National Average First Time Pass Rate
2019	92.8%	100%	86%	86%
2020	100%	100%	85%	89%
2021	100%	NA	84%	87%
2022	96%	100%	74%	86%
2023	100%	100%	Not available	Not available

* American Academy of Nurse Practitioners Certification Board

** American Nurses Credentialing Center

Disclosures:

- % College First-Time Pass Rate reflects candidate data from all who tested within a calendar year aggregated for both credentialing bodies.
- MSN degree students are those who completed the MSN with a FNP focus. Post Graduate Certificate students are those MSN prepared nurses who completed the FNP courses required for certification. There are years where no PGC students graduated, reflected with the NA.
- National pass rate information for the American Academy of Nurse Practitioners Certification Board is available through the American Academy of Nurse Practitioners Certification Board.
- National pass rate information for the American Nursing Credentialing Center is available through the American Nurses Credentialing Center.

PROGRAM COMPLETION

Year	% Graduating
2019	78%
2020	76%
2021	85%
2022	84%
2023	90%

Disclosures:

- Bellin College tracks program completion for the calendar year. Numbers are rounded to the nearest whole number.
- Bellin College bases its program completion rate for BSN-MSN, MSN-DNP, and PGC students on the number of students who graduate within five years from the date of matriculation.
- BSN – DNP students are calculated based on
